

## Quality Policy

Carey Group consists of Carey Mining and Carey Assets. The Carey Group of companies are Australia's leading Indigenous owned mining and civil contractor, and training service provider. Our vision is "To create new horizons for Indigenous people through business," while working with partners, clients and broader community stakeholders to generate long-term sustainable outcomes.

"Our purpose is to deliver quality mining, civil and training services to our clients that generate meaningful outcomes for Indigenous people."

The Carey Group Leadership have defined and documented the following commitment with respect to quality.

### Our commitments are to:

- Set measurable targets and seek to continually improve the delivery of our services
- Foster good relationships with Clients by regular effective communications and seeking feedback
- Deliver value to our Client's through innovative and complete solutions
- Ensure all employees incorporate quality management processes into their areas of responsibility and utilise its application as a catalyst for continual improvement
- To provide all personnel adequate resources to enable all tasks to be undertaken with a consistent standard of quality
- Audit our organisational practices and promote continuous improvement ideas
- Communicate the Quality Policy and make it available to the public
